Trustees

PSK New Thing

Southwest Presbyterian Church held its final worship service on November 19, 2023. The building is still in use as St. Bartholomew Episcopalian Church continues to worship in the building and covers utilities. At the closing of the Southwest Congregation, St. Bartholomew was sharing the building.

Conversations between the Episcopal Diocese, St. Bartholomew and the Trustees of PSK began to see if it were an option for them to purchase the facilities and continue in ministry. As of their first offer, the Trustees decided to not sell at that price and seek out other ministry opportunities that this Presbytery could either support physically or financially.

Out of this came the discussion for a group to be appointed to see what ministry might look like in the area around the former Southwest Presbyterian Church. Those asked to serve on this group are: Catherine Neely Burton, Laura Frazey, Diane Janssen Hemmen, Bill Hendrix, Jeremiah Lange, Ben Ray, and Gail Doering. This group has been meeting since January 31st.

Not knowing what to call this group, it has casually been known as the PSK New Thing. As we seek out ministry opportunities, we have invited several people to come give us ideas or options as to what to do with the property. Our first guest heads up Neighboring Project.org. Adam gave us great information of what doesn't work and what could work. This helped us realize that another Presbyterian Church in the same place and building might not be a viable option.

We have had a representative from Habitat for Humanity come speak about the opportunity of selling some or all of the land. We were all surprised at the reality of a deficit close to 30,000 affordable homes in Wichita alone. We are waiting on proposals from Habitat on purchasing open lots or the entire property.

We have had representatives from Lange Realty and Street Realty come give us their thoughts on the value of the property if Presbytery so chooses to sell it commercially. One member of our group has talked with the leadership of the two neighborhood elementary schools on what they see as the greatest needs are in that community.

We continue to seek out information from the Episcopal Diocese hoping that they would choose to continue ministry in that location and that we can come to an agreement on a fair price for the facilities and property.

As this group continues to meet, the one thing that we all seem to be unified on is that we find a way to put the money of the sale of the property back into that local community so that the ministry of Southwest can continue. If we are unable to do the ministry, we want to support ministry.

The property also has an AT&T cell tower. The Presbytery has control of that lease and it provides a monthly income. This allows us to make a good decision, not a hasty decision.

We are seeking many options, praying that God will guide us to the right one. We would love your prayers for us as well.

Ben Ray

#### TEL Report

#### Presbytery of Southern Kansas

April 23, 2024

I know that many of you are probably wondering when the transitional phase of the presbytery will conclude and things can go back to being settled and stable. I am sorry to burst your bubbles, but that is probably not going to happen any time soon. You have called an Executive Presbyter Nominating Committee who has been working together for over a year to call your new Executive, but that only means that another transition is on the horizon.

If the way is clear and the planets align and God wills it, August 2024 in Hutchinson could well be my last presbytery meeting with you. Actually, regardless of the status of the call, my final day of full-time ministry will be September 4, 2024, so in fact, August will be my last meeting with all of you. I am excited about the future for me and also for PSK. It has been a long, winding, sometimes bumpy but always exciting road to ride with you on for a piece.

Looking in the rearview mirror, we have had numerous staff changes, moved to remote work environments, employed a communications provider, received a Kansas Leadership Center transformation grant, and our MMC helped us receive a grant for preaching training from Omaha Presbyterian Seminary Foundation. Today you will vote upon a small search time to elect a Stated Clerk to replace that part of me (roughly ¼ time or less), we continue to strive toward maximum subscription to our new database, Realm, so that leaders and members and churches in our presbytery have quick and easy and secure access to contact information, at least 4 of our members will attend General Assembly 2024 in Salt Lake City (our three commissioners/delegates and Rev. Doris Evans, Garden City, will go to serve as a committee resource person!). I will not stop working until I stop working, but I also know that the challenges, structures and instability of our era will mean that the work will not be complete when I leave. We are currently in process to imagine what a new structure for the presbytery should look like (thanks to a small task force of Catherine Neelly-Burton, Melissa Krabbe, Mary Buchele, Joseph Wiseman, Jeremiah Lange and me). The structure and manual under which we currently operate was developed when the presbytery was nearly three times the size it is now. Additionally, the Board of Pensions has thrown a wrinkle into many of our lives by introducing a new delivery and structure for benefits for our pastors and other church leadership that will commence in January 2025. It is going to take some time and effort for me and COMT to get more information and share that widely with you as well as answer individual and congregational inquiries.

Admittedly, I have made many mistakes along the way. However, I have endeavored every day to remain faithful to God's call and to serve God's people in this way. I ask that you continue to stick with me just a little bit longer. Remembering Jesus' claim on all of our lives that we love one another...and that there is no greater love than to lay down one's life for a friend.

In philial love and service,  
Gail

Keith Layne Koch

Born at St. Mary's Hospital in East St. Louis, Illinois, I was almost named, Dwight David, after President Eisenhower. My father, John was a Democrat. My mother, Pat was a Republican. Father an agnostic. Mother, a Southern Baptist. Father, a Teamster Union Member. Mother, anti-union pro-management. Father's family worked for Anheuser Bush. Mother's family worked for Coca-Cola. Maybe God had the final say, for "Keith" in Celtic means, *dwells deep in the woods*, wandering about but not too worried about it.

This *and/both* upbringing shaped much of my background. Baylor University (Southern Baptist) Princeton Theological Seminary (Presbyterian) and University of Pennsylvania (God only knows,). Ordained by the Presbytery of Palisades in 1980, I have served as an installed pastor in churches in rural communities, Mayfield Central and Northville United Presbyterian, up-state New York; in urban Philadelphia, Calvary Presbyterian, Wyncote, Pennsylvania; somewhat in-between, Grace Presbyterian, Wichita, Kansas. I also served as an organizing pastor, New Covenant Presbyterian, Hutchinson, Kansas and as Interim Pastor, the Journey Church, Wichita, Kansas, a congregation of the Evangelical Covenant Church, Interim Pastor, First Presbyterian Church of Gardner, Kansas, Interim Pastor, First Presbyterian Church of Wamego, Kansas, Interim Associate Pastor, Rolling Hills Presbyterian Church of Overland Park, Kansas, and last but not least, Interim Pastor, Westminster Presbyterian Church of Topeka, Kansas

I love what I do. Where else can I talk to people without being interrupted, read books, get to know folks, and help them grow in their faith and mine, and get paid for it. When not messing around the church, I love to spend time in my wood shop, playing golf, rooting for the St Louis Cardinals, enjoying the outdoors, travel, reading a variety of books, movies, theater, music, and loving my family, dogs included.

#### Brief Statement of Faith Keith Layne Koch

I believe in the Triune God,  
Father, Son, and Spirit,  
Creator, Redeemer, Sustainer,  
Papa, Brother, Sister,  
Holy, Mystery, in all and through all.  
Intimate, Revealed, in you and me,  
Incarnate, Sacrificial Love, Counselor

I believe in the fullness of time,  
God sent the Son into the world,  
Fully human, fully divine,  
Born of the Virgin Mary,  
He lived, loved, forgave, healed  
as a sign and seal of the kingdom of God  
Making heaven and earth as one.

I believe in Christ's death and resurrection,  
I/we am/are "entombed" in Christ,  
Wrapped in his linen,  
ascended to the Father,  
in, by and through Christ, alive.

I/we am/are the "other disciple"  
the unnamed one in John,  
now named by Christ.

I believe in his church,  
gifts of the Holy Spirit,  
the living Word of God, the Bible,  
water, vows and life in community,  
bread, cup, common meal, for all,  
historic confessions,  
by grace along and faith,  
we live and serve  
to God's glory, or simply put,  
Jesus loves us, this we know.  
may my life share it so,  
each and every one of us,  
belong to him,  
We are weak, but with him we are strong.

#### Sabbatical Proposal

Rev. Melissa Krabbe, United Presbyterian Church of Sterling KS, June 17-September 17, 2024

Themes—Quietness and Rest

“Only in returning to me and resting in me will you be saved. In quietness and confidence is your strength.” (Isaiah 30:15)

I have wrestled with the idea of a sabbatical for quite a while. What do I want to do for three months? People ask me, “What does your soul want to do?” I’ve grown to almost hate that question. My soul is tired and doesn’t want to have to do anything, really. So this sabbatical plan is basically that – space to rest with no requirements.

Reasons I Need Rest Beyond the Usual Pastor Stuff:

4. I just finished a three-year term as presbytery moderator (Moderator -elect, moderator, past moderator).
5. My husband has been wrestling with health issues for two years. He finally got a diagnosis of Crohn’s Disease last year but is still working with the doctors to get it under control.

What Will I Do?

1. Allow myself the space to do nothing.
2. I am only committing to read one book, though I will likely read fiction books as well. The non-fiction book I plan to read: *Quiet: The Power of Introverts in a World That Can’t Stop Talking* by Susan Cain, Kathe Mazur, et al.
3. Visit my children and grandchildren who live in Texas and South Carolina. I miss them!

Timeline and travel:

1. June 17-24 Seattle, WA
  - a. My brother Gallio and his fiancé Kim are getting married on June 22.
  - b. My husband Rob and mother Marilyn will travel with me to attend.
2. Date TBD Willis & San Angelo, Texas
  - a. Visit out daughter and family in Willis, and son and family in San Angelo.
3. September 12-17 Greenville, SC
  - a. My daughter Tabitha is getting married.
  - b. My husband Rob, and mother Marilyn will travel with me to attend.

Budget:

- Cost to Me:
  - Travel: Gas & lodging etc. for 3 trips estimated at \$3,000
  - I am applying to the Board of Pensions for a sabbatical grant to help with this
- Cost to Church:
  - Pulpit fill
    - Christian Dashiell and Lara MacGregor have agreed to preach.
      - Lara has also agreed to moderate session meetings.
    - Several of our church elders will help fill in any remaining Sundays.
  - Continuing my salary

Mutual Benefit

## **Presbytery of Southern Kansas-Stated Meeting April 23, 2024**

- The church has recently found new energy in seeking to become a more inclusive church and in gathering monthly for fellowship lunches. In my absence, the church can enjoy practicing these without feeling pushed to do more.
- A former member once told me that this church just needs to find their joy. Since we started back to having fellowship lunches after the long break because of COVID there has consistently been great joy in gathering together.
